

About PennDOT and our Seniors Driving Safely Series

PennDOT oversees a breadth of programs and policies that ensure that the movement of people and goods within the state is safe, reliable, and efficient. We oversee an ongoing investment in the integrity of Pennsylvania's highway and bridge infrastructure. PennDOT is directly responsible for nearly 40,000 miles of highway and roughly 25,000 bridges. We also administer the state's more than 11 million vehicle registrations and 8.9 million driver's licenses and oversee safety and emission inspection programs.

While PennDOT strives to set the standard for an organized transportation structure and maintain a reliable infrastructure throughout Pennsylvania, our mission cannot be completed without the compliance and cooperation of those who utilize and operate within our state's roadways and multimodal systems. Our *Seniors Driving Safely Series* is one facet of our effort to help educate, guide, remind, assist, and protect all Pennsylvanians in getting wherever they need to go – safely.
