BULLETIN NO. 06-10

September 2006

NEW KOREAN DEFENSE SERVICE REGISTRATION PLATE

PennDOT began issuing the "Korean Defense Service" license plate. Act 82, which took effect September 5, 2006, allows for any person who has been awarded the Korean Defense Service Medal, to be issued a special veteran registration plate for use on a passenger vehicle or truck with a gross weight of 10,000 lbs. or less.

Application for the Korean Defense Service license plate is made by completing Form MV-150, "Application for Special U.S. Military Veteran Registration Plates." The fee is \$20 in addition to the annual registration fee. The applicant must also submit a legible certified copy of their Form DD215, which indicates the Korean Defense Service Medal was applied for and issued.
