UPDATE: Ordering Inspection Stickers/Fees

ORDERING INSPECTION STICKERS

Beginning October 1, 2015, the Department will be issuing the new 2016-17 safety and emissions inspection stickers.

Between now and October 1, you should be careful not to order more stickers than necessary to perform annual inspections through December 31, 2015 and semi-annual inspections through June 30, 2016.

When placing an order for new safety or emissions inspection stickers it is important that you indicate which inspection years you are requesting. To order the current 2015-16 safety or emissions inspection stickers simply complete an MV-436A Inspection Sticker and Insert Order Form as usual. **Please allow 14 business days for your sticker orders.**

You may place your orders now for 2016-17 safety or emissions inspection stickers but they will not be processed until October 1, 2015. **If you wish to order 2016-2017 safety or emissions inspection stickers please write 2016-2017 in large numbers across the top of your MV-436A Inspection Sticker and Insert Order Form.** Unless you indicate **2016-1017** at the top of the form, your order will be processed for 2015-16. MV-436A forms marked 2016-17 will not be processed before October 1, 2015.

The 2016-17 stickers may be used simultaneously with the 2015-16 stickers. The 2015-16 stickers may be used for inspections on vehicles with expiry dates up to December 2015. The 2016-17 stickers are needed by November 1st for vehicles with a January 2016 expiry. Once you begin to use the new 2016-17 stickers, a separate MV-431 or MV-480 must be started. Please be aware that if your payment is made with a check returned for insufficient funds, your inspection privileges are subject to suspension in accordance with the schedule of penalties found in Section 175.51 of the Vehicle Equipment and Inspection Regulations.

Please refer to Bulletin # BI15-02 regarding FEE ADJUSTMENT FOR CERTIFICATES OF INSPECTION, effective July 1, 2015.
