SPECIAL EDITION

Newly Designed Official Use Registration Plate

PennDOT is proud to announce the issuance of the newly designed Official Use registration plates. The Official Use registration plates were redesigned allowing the plates to be incorporated into PennDOT's "Family of Plates" color scheme.

The updated plate designs reflect the "Family of Plates" color scheme of blue, white and yellow. Pennsylvania is printed at the top of the plate and the words "Official Use" are printed at the bottom of the registration plate. The standard issued plates bear the "Coat of Arms" emblem on the left side. The passenger plate has a two stack lettering of PA on the left and the truck plate has a two stack lettering of PA on the right side of the plate. The old-style registration plates with white lettering on a blue background are still valid and will remain in use.

Agencies also have the option of including their agency emblem in lieu of the Coat of Arms emblem on their fleet of vehicles registration plates.
