**TOPIC(S) IN THIS BULLETIN:**

**PENNDOT OFFERS FREE REPLACEMENT DRIVER LICENSE AND MOTOR VEHICLE PRODUCTS AND EXTENSIONS TO FLOOD VICTIMS**

---

---

“Because of recent flooding in some parts of the commonwealth, PennDOT announced on September 15, 2011 that flood victims will be offered replacement driver license and vehicle products at no charge.”

Driver license products include duplicate licenses, learner’s permits and photo identification cards. Motor vehicle products include replacement license plates and stickers; registration cards; duplicate titles and person with disability placards.

As part of the Governor’s response to flood damaged areas in the commonwealth, effective September 8, 2011, PennDOT has authorized an extension of the expiration dates for licenses, identification cards and vehicle inspections/registrations. The expiration date for vehicle registration and inspections scheduled to expire on September 30, 2011 has been extended until October 14, 2011. The expiration date for driver licenses and identification cards scheduled to expire between September 8, 2011 and October 13, 2011 has been extended until October 14, 2011.

Only those customers in areas identified by the Federal Emergency Management Agency (FEMA) as having been affected by flooding are eligible for the extension. Please visit the FEMA website for identified areas at [www.fema.gov](http://www.fema.gov) or the Pennsylvania Emergency Management (PEMA) website at [www.pema.state.pa.us](http://www.pema.state.pa.us).

PennDOT services for flood victims are available at Photo License Centers around the state but also, to assist flood victims with their motor vehicle and other disaster-related issues, FEMA and PEMA have established Disaster Recovery Centers (DRCs). DRCs are currently located in the following counties: Bradford; Chester, Columbia; Dauphin; Lancaster; Lebanon; Luzerne; Lycoming; Montgomery; Sullivan; Susquehanna and Wyoming.

To apply for a replacement driver license or motor vehicle products, customers need to complete a PennDOT MV-Flood form, available at disaster recovery centers or online at <http://www.dmv.state.pa.us>. Note that products will not be issued on site at the DRCs. Products will be mailed or made available for pick-up at local Driver Licensing Centers.

(OVER)

A list of current DRC locations is below. Updates to the list of DRC locations and additional PA Flood relief information can be found online at <http://www.dmv.state.pa.us>.

Bradford County
