**INSTRUCTIONS:**
List all current contracts with PA Department of Transportation and all other contracts over $5,000 with others regardless of type or location of work. Designate contracts where work is underway (code 1), contracts awarded but work not begun (code 2), and contracts where an award is pending (code 3) by indicating the appropriate code number in the Code Column. The PA Department of Transportation project for which this request is submitted shall be listed last.
