

LIABILITY INSURANCE RATE CERTIFICATION FORCE ACCOUNT WORK

RATE EFFECTIVE FROM _____ THROUGH _____ *

* The "THROUGH" date entered above may be no more than 1 year after the "FROM" date and must be the expiration date for the Liability Insurance rate entered into ECMS at the time this certification is made.

The Contractor hereby certifies pursuant to Publication 408, Section 110.03(d)1, that the rate charged for Liability Insurance for Force Account work governed by Publication 408 and performed during the period to which the Liability Insurance rate this day entered into the Engineering and Construction Management System (ECMS) pertains will not exceed the rate used during such period for the purpose of determining pricing for any bids submitted by the Contractor.
