

Statewide Minority and Female Resource Directory

Bureau of Equal Opportunity
PA Department of Transportation

PREFACE

What is the Statewide Minority and Female Resource Directory?

This directory was prepared to assist contractors (prime and sub) serving the Commonwealth of Pennsylvania, Department of Transportation. It is to be used as a tool by firms holding Federal/State contracts in locating and recruiting minority, female, and disadvantaged applicants for employment on highway and bridge construction and nonconstruction contracts. Contractual provisions state that “the contractor will, unless precluded by a valid bargaining agreement, conduct systematic and direct recruitment through public and private employee referral sources likely to yield qualified minority group applicants. To meet this requirement, the contractor will identify sources of potential minority group employees, and establish with such identified sources procedures whereby minority group applicants may be referred to the contractor for employment consideration.”

This directory does not attempt to replace any existing directory published by any government agency. The Statewide Minority and Female Resource Directory grew out of a response for requests to better help contractors integrate their work force with minority and female employees.

The Bureau of Equal Opportunity, DBE/Title VI Division, is happy to assist you whenever and wherever possible. We hope you find this directory of assistance in your recruitment efforts of minority, female and disadvantaged applicants.

We welcome your comments as well as your suggestions to improve the directory and its usefulness. Please contact Mr. Khan Mitchell, Chief, DBE/Title VI Division, at (717)787-5891 or 1-800-468-4201.

Sincerely,

Jocelyn I. Harper, Director
Bureau of Equal Opportunity

DISCLAIMER

This Directory is designed as a tool to assist contractors in their recruiting efforts to attract minorities, women and disadvantaged individuals into the construction industry. The Department neither promotes, approves, nor endorses the information/positions presented in this document.
