(Locations, days and times subject to change)

For questions concerning the Driver License Centers, call 717-412-5300.

People using TDD equipment should dial 711.

The Department is required to obtain the Licensee's Social Security Number under the provisions of sections 1510(a) and/or 1609(a)(4) of the Pennsylvania vehicle code. You will be required to provide your Social Security Number as identifying information in an attempt to minimize driver license fraud. Federal law permits the use of the Social Security Number by state licensing officials for the purpose of identity verification.
