BULLETIN NO. 14-18

December 2014

SPECIAL EDITION

Act 89 – Fee for Local Use

Act 89, which became law on November 25, 2013, established a special fund within the state treasury called “Local Use Fund.” Beginning January 1, 2015, a county may pass an ordinance to implement a fee of \$5 for each vehicle registered to an address located in that county. The \$5 county fee is collected by PennDOT at the time a vehicle is registered or renewed. These funds will be used by the county for transportation purposes or be allocated by the county in accordance with Section 9010 (c) of the Pennsylvania Vehicle Code. This \$5 county fee is in addition to the registration fee.

PennDOT will maintain a list of participating counties on the Fee for Local Use - Participating Counties Fact Sheet which will be available on PennDOT’s website. Agents must check the fact sheet each time they complete Forms MV-1, MV-4ST, MV-120, or MV-140 for a customer requesting issuance or renewal of registration for any vehicle, to verify if the customer’s county of residence is participating in the “Fee for Local Use.” If the county is participating, the agent must enter the \$5 county fee in the appropriate section of the form.

Automated registration renewal notices will be issued to registrants with the \$5 fee listed with the registration renewal fee.
