

INSTRUCTIONS

Complete the following sections of Form MV-610 **EACH** time a fleet owner transporter registration plate is issued:

- the registration number of plate issued;
- issue date;
- vehicle serial number;
- unladen gross weight of the vehicle; and,
- the reason number the plate was issued.

According to application provisions of the Vehicle Code, the vehicles listed on the reverse were used for the following purposes:

REASON

- 1 For transit of the vehicle to or from the place where the vehicle is offered for sale.
- 2 For transit from the place where the vehicle was purchased.
- 3 For transit to and from a location where the vehicle is modified, completed or enhanced for a period of not more than 30 days after the date of purchase. *
- 4 For testing of the vehicle for a period of not more than 30 days after the date of purchase.*
- 5 For repair, servicing or inspection of a vehicle which is not normally operated on a highway.

* The vehicle purchase date is to be completed when the registration plate is used for transit of a vehicle to and from a location where the vehicle is modified, completed, or enhanced **OR** for the testing of the vehicle. Under these conditions, the registration plate may **ONLY** be used for up to 30 days from the date of purchase.
