Notes:

The School Administrators and Instructors will have the ability to add new classes and manage class rosters to include posting test results.

WHEN ADMINISTERING THE EMISSIONS TEST

INSTRUCTORS PLEASE NOTE – Upon completion of the initial emissions certification online exam, the exam results will appear on the monitor. Please make sure the student notifies you of the completion before logging off the system. The Instructor is required to record the grade into the new vehicle inspection system. An interface will be developed in the near future to eliminate this step and have one system update the other to eliminate this step for the Instructor.
TABLE OF CONTENTS

1. Home Page and School Summary Screen 3-6
