## Construction Forms CS and TR Forms Listing

Please note:

There could be different file formats, Adobe .pdf, MS Word .doc., MS Excel .xls, MS Excel .xlt. To open a file, your computer will need the appropriate software program installed.

There are different form types. Each type is indicated under the form number on the form:

Fillable Fields/Print – Fields can be filled in and the form printed but cannot be saved.

Fillable Fields/Save As – Fields can be filled in and saved as another filename.

Reproduce Locally - Print and make copies as needed. Fill in by hand.

Directions:

1. Click on the link of the desired form to open it.
2. Save a copy of the file to your hard drive.
3. Use the form from your hard drive.
