Meet Pipes

Hi! I'm Pipes.

Have you ever noticed how much smaller motorcycles are than other vehicles on the road? Since motorcycles are much smaller, they can be easily missed by roadway users. If you look once, you may miss a motorcyclist. If you look twice, you may save a life!

Know the Danger Zones

Danger zones are blind spots around a vehicle where the driver is not able to see. Motorcycles can easily hide in these areas around the vehicles. You will often see and hear a motorcycle speed up to ensure they are not hiding in your blind spot.

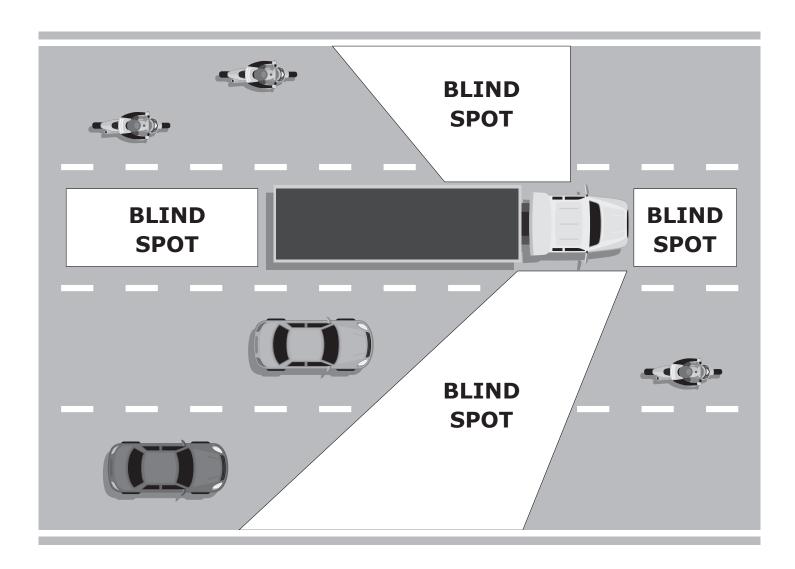

Tractor Trailer Danger Zones

Danger zones, also called "blind spots," hide motorcycles and other vehicles from the truck driver's sight.

Stay out of blind spots so tractor trailer drivers can see you.
