What is Operation Safe Stop?

Operation Safe Stop is a proactive approach to educate the motoring public that passing a stopped school bus, when children are loading or unloading, is both dangerous and illegal. Law enforcement agencies, school transportation providers, pupil transportation associations, and PennDOT have combined their efforts to raise public awareness about the potential consequences, and reduce the occurrence of illegal school bus passes.

Over the past twenty-six years, PennDOT, along with law enforcement agencies and pupil transportation associations, have worked together to conduct Operation Safe Stop. On Wednesday, October 18, 2023, the 27th Annual Operation Safe Stop will occur. On this day, we hope that all school districts will participate by having their drivers document any illegal passes occurring on their routes during the day. If possible, the drivers should get identifying information regarding the vehicle and file it with local authorities.

What can be done by the school district?

We are seeking one point of contact from each school district. This person will act as the district’s Operation Safe Stop Coordinator. The coordinator’s responsibilities include:

- Explaining the tracking procedures to the drivers;
- Identifying a list of trouble spots, routes or stops with a high frequency of violations;
- Coordinating the efforts of their drivers and local law enforcement agencies;
- Contacting local media;
- Collecting and tallying the totals from each driver; and
- Faxing or emailing the totals to PennDOT by November 1, 2023.

The coordinator’s activities will take only a few hours. This is a small time commitment that will make a big difference in our children’s safe travel to and from school.

We hope to have local police involved in every school district. They may follow a bus, ride a bus, or watch in a hidden location for illegal passes.

After Operation Safe Stop, each school district and police department will be asked to fax or email their results to PennDOT. It is important that we receive the information by November 1, 2023.

This packet includes instructions and copies of the tracking forms to be used during Operation Safe Stop. The "Violation Tracking Form" is formatted to allow you to provide the information to your local police department to issue a citation to the violator. This must be provided to the police department with authority where the violation occurred within 48 hours of the violation. The “Violation Survey Results” can be faxed directly to PennDOT’s Driver Safety Division at (717)705-1131 or the information can be emailed to rapdopersafestop@pa.gov.

How do I sign-up?

Complete the attached Operation Safe Stop Participant form and fax it to PennDOT’s Driver Safety Division at (717) 705-1131 or you can email your information to rapdopersafestop@pa.gov. If you have any further questions regarding Operation Safe Stop, please call Amanda Spahr at (717) 705-7604.
