SPECIAL EDITION

Newly-Designed State University Official Use Registration Plates

PennDOT is proud to announce the State University Official Use registration plates were redesigned. This allows the plates to be incorporated into PennDOT's "Family of Plates" color scheme.

The updated plate designs reflect the "Family of Plates" color scheme of blue, white and yellow. Pennsylvania is printed at the top of the registration plate and the university's name is printed at the bottom.

- Vehicles titled in the name of Pennsylvania State University receive the Penn State Official Use registration plates, tag type 25.
- Vehicles titled in the name of Temple University receive the Temple University Official Use registration plates, tag type H7.
- Vehicles titled in the name of the University of Pittsburgh receive the Pitt Official Use registration plates, tag type H8.
- Vehicles titled in the name of Lincoln University receive the Lincoln University Official Use registration plates, tag type H9.

The old-style registration plates are still valid and will remain in use. Additionally, all the plates are no longer a double plate and will be issued as a single plate.

Following are images of the newly redesigned Official Use State University registration plates.
