BULLETIN NO. 23-07

March 2023

## SPECIAL EDITION

**Act 90 of 2022** was signed into law on **July 11, 2022**, amending section 1309.1 of Title 75, the Pennsylvania Vehicle Code, Apportioned Registration Renewal. The legislation directs the Department to establish a system of staggered apportioned registration renewal in a manner that apportioned registration will expire in no less than four periods throughout the year. To implement and maintain the staggered apportioned registration system, the Department may prorate annual apportioned registration fees.

To begin this process, the Department has implemented staggered expiration dates for new apportioned fleets. Effective **March 1, 2023**, the registration for all new apportioned registration accounts or new apportioned fleets will expire 12 months after the account or fleet registration effective date.

**Please note:** Temporary Apportioned Agents must verify the apportioned fleet expiration date when issuing a Temporary Evidence of Apportioned Registration (TEAR). The expiration date of the TEAR should not exceed the expiration date of the apportioned fleet. Department approval must be obtained to issue an additional TEAR for a vehicle.
