PROGRAM REQUIREMENTS

0.0 APPLICATION REQUIREMENTS

0.1 An Applicant to be a Provider, certifies that it or any of its owners, managers or employees, is not under sanction or investigation by the Department or that it or any of its owners, managers or employee, has not previously been sanctioned by the Department for violations of the Vehicle Code (75 Pa.C.S. 101 et seq.), Department Regulations, or any existing agreement with the Department of Transportation. Sanctions may not necessarily bar an agent from becoming a Provider, as the Department will consider each case on its own merits; however, such information could certainly preclude one from being a Provider, when in the best interests of the Department.

0.2 Applicants shall provide the business name, address, phone number, fax number, email address, Federal ID number and all other information requested by the Department.

0.3 An Applicant shall provide the name and home address of all employees who will be involved in ownership, management and conducting the agent services and indicate the responsibilities each will have within the service.

0.4 An Applicant shall provide a letter or letters of reference from a bank or other financial institution(s) indicating that accounts of the applicant are handled in a satisfactory manner that is consistent with standard banking practices.

0.5 Applicant shall provide three letters of reference from business concerns, on business stationery, attesting to the character of the Applicant.

0.6 Applicant shall provide a notarized statement that no monies are due and owing the Commonwealth of Pennsylvania by the Applicant, the Applicant’s business entity or by the owners and officers of the business.

1.0 GENERAL REQUIREMENTS

1.1 Provider shall be a, or employ at least one, notary public, licensed by the Department of State, Bureau of Commissions, Elections and Legislation, to be present at the premises during all hours of operation, unless Provider is licensed as a vehicle dealer by the State Board of Vehicle Manufacturers, Dealers and Salespersons.

1.2 Provider shall provide the name, address, signature and the notary stamp of a notary public who will be engaged in or employed during the hours of operation of the notary service. A copy of the Notary Commission must also be provided. If verification in lieu of notarization is used, then a notary is not required for agents with an 85, 86 or 87 Dealer ID Number. If verification in lieu of notarization is used, Provider must submit a written statement that this process will be used and provide the stamp indicating the dealer name and dealer ID number.

1.3 Provider must pay an assessment of $60.00 to the Motor Vehicle Transaction Recovery Fund, in addition to any other license fees which may be required by the Department or law.
1.4 Provider shall be responsible for all costs and fees associated with the operation of its business, including costs and fees associated with maintaining a bond in favor of the Department or otherwise complying with requirements imposed by the Department from time to time by way of amendments to these Program Requirements.

1.5 No official or employee of the Commonwealth shall be eligible to enter into a contract with the Department to own or operate an agent or messenger service nor shall an agent or messenger employ an official or employee of the Commonwealth.

1.6 Provider shall enter all vehicle owner, vehicle, insurance, and driver information into the Department’s online in-transit plate tracking system at the same time an in-transit plate is issued, so long as the Provider has taken the steps necessary to issue in-transit plates. In order to be authorized to issue temporary in-transit plates (as currently described in 67 PA. CODE § 43.5(d)(2)(c), or such other applicable regulation), Provider shall: 1) apply and be approved, via contract, as an Online Messenger; or 2) be a participant in the Online Registration Program by entering into a contract with an approved integrator under the Online Registration Program; however, if Provider’s certificate of authorization is suspended or revoked in accordance with the Agent Services Agreement of which these Program Requirements are a part (hereinafter “Agreement”), or the Agreement is terminated, the Provider agrees that it will be ineligible to participate in the Online Registration Program or as an Online Messenger for the duration of any such suspension, revocation or termination.

1.7 Provider shall require that each applicant for title and registration provide, at the time of making application, valid proof of identification to verify the identity of a person when completing/processing the application for title and registration. The acceptable copies are:

1.7.1 A valid Pennsylvania Photo Driver’s License;
1.7.2 A valid Pennsylvania Photo Identification Card;
1.7.3 A valid Pennsylvania Photo Exempt Driver’s License;
1.7.4 A valid Pennsylvania Photo Exempt Identification Card; or
1.7.5 A valid U.S. Armed Forces Common Access Card – Dependents of Armed Forces personnel must provide a valid United States Uniformed Service Identification and Privilege Card (DD Form 1173); and

Each of the above documents must be in the same name as the name listed on the motor vehicle application. In addition, the address must be listed on the application as it appears on the above proof of ownership document.

1.8 Provider shall provide agent services in accordance with the Department’s policies and procedures as specified by the Department’s web site, Driver and Vehicle Services Update Bulletins, Agent Services Basic Title and Registration Course and Advanced Refresher Training Manual, which are hereby incorporated by reference as though attached as a material part of the Agreement and these Program Requirements, and Provider, including its owners, operators and employees, acknowledges receiving, reviewing and understanding these documents, which may be amended from time to time.
1.9 Provider, if participating in the Online Registration Program, shall also engage in the provision of such services and processing of motor vehicle title and registration applications in accordance with the Department’s policies and procedures as specified by the Department’s web site, Driver and Vehicle Services Update Bulletins, Agent Services Basic Title and Registration Course and Advanced Refresher Training Manual, and Program Requirements.

2.0 FACILITY REQUIREMENTS

2.1 Provider shall at all times maintain a facility which is acceptable in appearance to the Department and is in compliance with all applicable federal, state and local laws, including local zoning ordinances and building codes, as well as all provisions of the Agreement and these Program Requirements. The Provider must ensure that each location meets all such requirements and must request the Department’s approval prior to opening any additional location that Provider seeks to operate the Agent Service pursuant to this Agreement.

2.2 Each Agent Service facility shall have adequate parking to accommodate the anticipated volume of business and shall provide specified parking for persons with disabilities, in accordance with applicable standards promulgated by the Department of Labor and Industry, including but not limited to those standards set forth at 34 Pa. Code, Chapter 47.

2.3 Each of Provider’s facilities shall include secure storage for temporary registration cards, license plates, permits and other products (collectively “product stock”) designated by the Department and shall be approved by the Department. Each of Provider’s facilities shall provide a storage facility with solid door construction, secured hinges, secured ceiling and walls, deadbolt lock and interior construction adequate to store all documents to be submitted to the Department and all product stock. Adjustments may be made in storage requirements if deemed desirable by the Department and justified by the applicant by way of amending these Program Requirements.

2.4 Each Agent Service facility shall have active telephone service, a working fax machine, a working copy machine, an office shredder and an active electronic mail (email) account which the Provider shall check on a regular basis. The Department, at its discretion, may require the Provider to also have on-site a connection through a personal computer to the Internet, or may require other technology the Department may deem appropriate for the provision of agent services by way of the mechanism set forth in the Agreement in which notice of such changes shall be sent by e-mail. If the Provider issues temporary in-transit plates, then the Provider shall maintain necessary connections consistent with the Online Messenger Agreement or Online Registration Program requirements. Official communications from the Bureau of Motor Vehicles to Providers may come via the Provider’s registered e-mail address, as it appears on Page 1 of the Agent Service Agreement. Changes to Provider’s e-mail address must be submitted in writing to the Department of Transportation, care of the Regulated Client Services Section, Riverfront Office Center, 1101 South Front Street, Harrisburg, PA 17104.

2.5 Provider must submit photographs of the interior and exterior of the proposed place of business. The photographs must show the entrance way, exterior signs, phone and desk area, secure area for storage and display of fees and charges relating to the issuance of temporary cards and plates.
2.6 The Agreement executed by Provider shall apply to all approved agent services locations operated by Provider; however, prior to a change in the location of or establishment of any agent services business location, Provider agrees to submit to the Department all facility-related information required as though the Provider were making an initial application to provide agent services. The Department reserves the right to approve or deny any relocation in its discretion.

2.7 The Provider shall submit notice to the Department of any change in ownership, location, e-mail, staff engaged in the provision of services under the Agreement, or duly authorized and currently licensed notary on staff, before or within 10 days of such change. Changes must be submitted in writing to the Department of Transportation, care of the Regulated Client Services Section, Riverfront Office Center, 1101 South Front Street, Harrisburg, PA 17104.

2.8 Consistent with 67 Pa. Code § 43.6(b) or such other applicable regulation, the Department may provide temporary written authorization for a Provider to issue temporary registration plates at a location other than the approved locations of the Provider for a period not to exceed one (1) year by way of issuing a certificate of authorization. The privilege to issue temporary registration plates from a location other than the Provider’s approved locations is revocable if the Department finds that the dealer, manufacturer or Provider has violated applicable provisions of the law, regulations or this Agreement, which provides such written authorization.

3.0 HOURS OF OPERATION

Each Agent Service facility shall be open to the public for business a minimum of 20 hours per week between the hours of 7:00 AM and 9:00 PM, or open to the public 10 hours per week with an additional 10 hours per week between the hours of 7:00 AM and 9:00 PM during which consumers may schedule an appointment. Provide applicant information, i.e., name(s), address, title number and vehicle identification number (VIN). Request authorization number from phone agent. No authorization will be given if record is not valid or has stops. NOTE: An on-line messenger service must self-authorize to issue or reissue a registration plate to a vehicle owner by checking PennDOT’s system for suspensions, etc.
4. Record the authorization number, date, time and initials on Form MV-120 in the upper right corner and complete forms.

The agent’s service (delivery) fees are market driven, and vary by agent. To compare service (delivery) fees, you are encouraged to contact the authorized agents in your area for the applicable service (delivery) fees charged.
FACT SHEET
Dual Registration

OVERVIEW
Dual registration is a vehicle registration program designed to aid customers who are performing intrastate movement or are regularly carrying out business in Pennsylvania. Dual registration is available for any vehicle that weighs 26,000 lbs. or less or has fewer than three axles. This program is also designed to aid customers from Alaska and Canadian Provinces other than Alberta, British Columbia and Saskatchewan, who will be operating a vehicle in Pennsylvania, regardless of the size of the vehicle or its number of axles.

Any vehicle over 26,000 lbs. that has three or more axles and is from any jurisdiction outside of Pennsylvania, including Alberta, British Columbia and Saskatchewan, is required to display an International Registration Plan (IRP) registration before entering Pennsylvania unless the vehicle is exempted under the IRP, has a trip permit or is dual registered.

REGISTRATION REQUIREMENTS FOR DUAL REGISTRATION

DOCUMENTS NEEDED:
1. A signed, dated and notarized application for certificate of title (Form MV-1).
2. A Vehicle Identification Number tracing including the vehicle weight ratings must be attached to Form MV-1. If a legible tracing cannot be secured, Form MV-1 must be signed and certified by an inspection mechanic or a notary public who is a full agent or is employed by a Pennsylvania dealer. List the number of axles on the vehicle and axles in combination, sum of Gross Axle Weight Rating (GAWR), requested gross weight and unladen weight. The words dual registration must appear in the lien section of the form. If the vehicle is a truck, an inspection mechanic must verify the Gross Vehicle Weight Rating (GVWR) and/or Gross Combination Weight Rating (GCWR) on Form MV-41.
3. A photocopy of the out-of-state title in the applicants name (since the registrant will not receive a Pennsylvania title, the out-of-state title may still be maintained).
4. A photocopy of insurance card or temporary insurance binder. This form must be submitted in order to prove the applicant is presently maintaining financial responsibility/insurance.
5. The current title fee. For a listing of current motor vehicle fees, please refer to Form MV-70S, Bureau of Motor Vehicles Schedule of Fees, found on our website at www.dmv.pa.gov.
6. Proof of payment of sales tax. Pennsylvania charges sales tax at the rate of 6% of the purchase price (7% for residents of Allegheny County. City of Philadelphia residents pay an 8% sales tax rate for vehicles purchased on or after October 8, 2009.) Credit will be granted for state sales tax legally paid to another state provided such state grants similar tax credit to Pennsylvania. In instances where credit is allowed, the difference between the actual tax paid and Pennsylvania’s tax due will be charged. This amount must be indicated on Form MV-1. NOTE: If the vehicle has been owned for over six months, Pennsylvania’s tax rate is 6% of the fair market value of the vehicle.
7. Exemption from Pennsylvania Sales Tax is possible, provided a valid Pennsylvania Department of Revenue sales tax exemption number is listed on Form MV-1 or Form MV-4ST.
8. Internal Revenue Service Form 2290, Schedule 1, Proof of Payment for the Heavy Vehicle Use Tax (HVUT). This form is needed for a vehicle with a taxable gross weight or combination weight of at least 55,000 lbs.
APPLICATION PROCESS
Because PennDOT cannot issue the registration credentials until the paperwork is processed, the following procedures should be followed:

1. If carriers have access to Pennsylvania tag agents, we recommend completing all necessary applications for Pennsylvania registration in their offices. To obtain authorization to issue a registration plate, the agent must call the Commercial Registration Section at (717) 787-4309.

2. If carriers do not have access to Pennsylvania tag agents, call the Commercial Registration Section at (717) 787-4309 and request that the necessary vehicle registration applications be mailed to you.

3. The completed applicable forms listed on the reverse should be mailed to: Department of Transportation, Bureau of Motor Vehicles, Commercial Registration Section, P.O. Box 68289, Harrisburg, PA 17106-8289.

NOTE: The pink copy of Form MV-1 is valid for only 90 days from the date of issue or until the vehicle’s credentials are received, whichever comes first.

To obtain further information, write to the above address or call (717) 787-4309.

PENALTY
The fine for operating a vehicle in Pennsylvania without the proper registration is double the Pennsylvania registration fee.

ADDITIONAL REQUIREMENTS
INSPECTIONS
Vehicles bearing current registration plates issued by the commonwealth shall not be moved on a highway unless the vehicle displays a currently valid certificate of inspection issued by an official Pennsylvania Inspection Station.

OPERATING AUTHORITY
For information regarding intrastate operating authority in Pennsylvania, contact the Public Utility Commission, North Office Building, P.O. Box 3265, Harrisburg, PA 17105-3265 or call (717) 787-3834.

The agent’s service (delivery) fees are market driven, and vary by agent. To compare service (delivery) fees, you are encouraged to contact the authorized agents in your area for the applicable service (delivery) fees charged.
ADDITIONAL IMPORTANT INFORMATION

Responsibility in Submitting Applications

Dealers and issuing agents are responsible for the timely submission of applications which they handle for their customers. Fully executed applications are to be sent to PennDOT by dealers and agents within 20 days of issuance of registration card and registration plate or transfer of title.

Responsibility for Inventory and Issuance of Temporary Registration Plates

Dealers and issuing agents are not permitted to sell, loan or give temporary registration plate(s) to other dealers or agents whose inventories are depleted. Temporary registration plates purchased by a dealer or agent from PennDOT are the responsibility of the purchaser and are recorded as the property of that dealer/agent. When current inventories are running low, dealers and agents must purchase additional registration plates from PennDOT. Plates must be issued from the agents registered location.

A temporary cardboard registration plate may never be reissued.

A temporary registration card may only be reissued with PennDOT’s authorization.

No exchanges are given for temporary registration plates.

The appropriate type of temporary registration plate must be issued for the specific type of vehicle with the following exceptions:

- Farm Truck - issue truck registration plate
- Fire Truck - issue truck registration plate
- Ambulance - issue passenger registration plate
- Vehicle to be transported out-of-state - issue cardboard registration plate

A temporary registration plate shall not be issued for a vehicle for which the applicant already has a Pennsylvania Certificate of Title nor to any person who is applying for transfer of registration and/or reissue of a lost, stolen, or defaced registration plate unless the issuing agent is also a Messenger Service which is bonded for $50,000 and is operating under the Decentralized Services Program. Procedures for Decentralized Services participants required that the agent contact the specially designated PennDOT telephone number for authorization to issue a temporary registration plate for each transaction. Any issuing agent (not registered under the Decentralized Services Program) violating Temporary Tag Regulation Chapter 43.6(a)(2), will be required to retrieve the temporary registration plate from the applicant and return the registration plate to PennDOT prior to the processing of the application. Repeated violation of this type could result in the agent’s contract to be suspended or terminated.

Agents issuing incorrect types of metal temporary registration plates for specific vehicles will be required to retrieve the registration plate from the applicant before PennDOT will process the title documents. Repeated violations could result in the agent’s contract suspended or terminated.
Discontinued Business/Change of Address

When the business is discontinued, unissued temporary registration plates and Certificate of Authorization must be returned to PennDOT within five days. A refund for unissued registration plates will be given, minus a $25.00 administrative fee.

If the business is moved to another location, PennDOT must be notified within ten days of the change. Contractor is required to submit only the facility related info as if the contractor was making initial application to provide agent services.

Temporary Registration Plate Orders

PennDOT will sell the following temporary registration plates in groups of five: Moped, School Bus, Bus, Motor Home and Omnibus. All other types, including passenger, truck, trailer, motorcycle, and cardboard must be ordered in multiples of ten.

Omnibus/Bus Registration Plates

Charitable and other organizations and private citizens who own and operate buses without charging fares should apply for “Omnibus” registration plates rather than standard bus registration plates. “Bus” registration plates are reserved for buses authorized by the PUC or ICC. Occasionally, omnibuses may also be leased to a company for use under PUC authority provided that a copy of the trip lease is carried in the bus. Bus registration plates that are reserved for issue by the PUC can be obtained through PennDOT’s Commercial Registration Section.

Dual Registration

PennDOT will provide phone authorization to issue temporary registration plates for dual registration applicants. To request authorization, contact PennDOT’s Commercial Registration Section at (717) 787-3961, (717) 787-3896 or (717) 787-1346. Staff members are available Monday through Friday, 8:00 am to 4:30 pm, except on Commonwealth holidays.

Trucks and truck tractors which are titled and registered in another state but are not registered under the Apportioned Registration Program, must have PA registration if they are doing business in Pennsylvania. A copy of the out-of-state title, Form MV-1 and a title fee and the appropriate registration fee are required to obtain a Pennsylvania registration plate. The authorization number and words “Dual Registration” must be written on the title application in the area reserved for first lien information. Proof is required that sales tax was paid in the titling state. If less than 6% sales tax was paid, applicant must pay the difference up to 6% on the vehicle’s fair market value, whether or not the vehicle was owned for 6 months or more. A Pennsylvania title will not be produced.

VIN Tracings/Verifications

VIN tracings or verifications are required on all vehicles being titled for the first time in Pennsylvania.

In addition, GVWR tracings or verifications are required on all trucks being titled in Pennsylvania for the first time.
On Form MV-41, GVWR tracings or verifications are required on all applications for truck weight increases. Only inspection mechanics may verify the GVWR for weight increases and VIN tracings or verifications are required on all applications for correction of title.

Notaries who are:

- Agents Services;
- Employed by Agents Services;
- Employed by registered motor vehicle dealers (DIN prefix 84, 85, 86, 87, 88); or,
- Employed by registered motor vehicle manufacturers

are authorized by the Bureau of Motor Vehicles to verify VIN's. Providing VIN verification services is not mandatory but is optional for qualifying notaries.

Certified Pennsylvania inspection mechanics are also authorized to verify VIN's.

Notaries should sign and list the DIN of the employer in the space provided for the mechanic's number. The GVWR may be verified by the notary on Form MV-1 unless the weight is being increased due to a physical change to the vehicle.

**Telephone Service**

PennDOT offers statewide telephone information services. A toll-free number is available so that Pennsylvanians may call PennDOT for information at no charge from anywhere in the Commonwealth.

The toll-free number for Pennsylvania residents is 800-932-4600. Out-of-State residents should continue to call the local numbers for information.

FACT SHEET

Instructions for Completing Form MV-1,
Application for Certificate of Title

(FOR PENNDOT AUTHORIZED AGENTS USE ONLY)

This form is used to obtain a Pennsylvania Certificate of Title for vehicles not currently titled in Pennsylvania, or which were repossessed (1. Judgment and Execution; 2. Non-Judicial Sale or Repossession and Retention (U.C.C.); 3. Court Order), and vehicles which are reconstructed, specially constructed or recovered thefts.

DISTRIBUTION OF FORM COPIES
1. The white copy is always submitted to PennDOT.
2. The yellow copy is always retained by the dealer or full agent and is to be retained for at least three years. If a temporary registration card or registration plate is issued, the yellow copy becomes the dealer/agent’s record of such issuance.
3. The pink copy is always retained by the individual or business in whose name the certificate of title is to be issued.

REPOSSESSIONS AND COURT ORDERS
In the case of repossessions, Form MV-217, "Application for Certificate of Title After Default By Owner," must be completed by the repossessor and attached to the completed Form MV-1. Only the following repossessions may be done using the Form MV-1 and Form MV-217: 1) Judgment and Execution; 2) Non-Judicial Sale or Repossession and Retention (U.C.C.) and; 3) Court order. The lienholder in these cases must follow the instructions listed on the Form MV-217 and use Form MV-1. Upon receipt of the certificate of title in the lienholder’s name, the lienholder may then assign ownership to a dealer or individual on the reverse side of the certificate of title and use Form MV-4ST. All other repossessions - 1) Renunciation; 2) Non-Judicial Sale or Repossession and Retention (M.V.S.F.A.) and; 3) Mobile Home - must be done by completing Form MV-217A, Application for Certificate of Title By A Financial Institution or Dealer After Default By Owner.

The person named on a court order or the purchaser of a vehicle at a sheriff’s sale must be the applicant listed on Form MV-1. After the title is issued to that person, they may assign ownership on the reverse side of the certificate of title and attach a completed Form MV-4ST.

TRANSFER OF OWNERSHIP
Form MV-1 does not allow a reassignment of ownership to a second applicant. The applicant is the first individual(s), corporation, business, etc., to whom vehicle ownership is assigned on the proof of ownership document, which must accompany the title application. Reassignment to a second applicant must be done after the Pennsylvania Certificate of Title is issued to the first applicant. The assignment information on the back of the Manufacturer’s Certificate of Origin (MCO) or the out-of state certificate of title must be completed, including the odometer, lienholder and notary public information (if applicable). NOTE: If the applicant requests a Pennsylvania Certificate of Salvage, Form MV-6, Application for Nonrepairable or Savage Certificate, must be completed in lieu of Form MV-1.

Pennsylvania State Police Station. The VIN discrepancy must be resolved prior to submitting the title application to PennDOT for processing. If the vehicle’s VIN plate is defaced, altered or missing, Form MV-1 must be accompanied by an application for a PA state replacement VIN plate on Form MV-41, in addition to a completed Form MV-32, Pennsylvania State Police Verification of VIN. Form MV-32 must be obtained from and completed by the Pennsylvania State Police. The officer conducting the VIN examination will return the completed Form MV-32 to the applicant. It is the applicant’s responsibility to provide the agent with all documents, including the Form MV-32.

- **BODY TYPE** - List the designated body type of the vehicle.

  EXAMPLES: Coupe (CP)  Truck Tractor (TT)
  Sedan (SDN)  Motor Home (MTHR)
  Truck (TK)  Special Mobile Equipment (SME)
  Mobile Home (MH)  Motor-Driven Cycle (MODC)
  Low Speed Vehicle (ORV)  Off-Road Vehicles (ORV)
  Neighborhood Electric Vehicles (NEV)  Recreational Trailer (RECT)

- A Neighborhood Electric Vehicle (NEV) is defined as a four-wheeled electric vehicle that has a maximum design speed of not less than 20 miles per hour and of not more than 25 miles per hour and that complies with the Federal safety standards established in 49 CFR 571.500. A NEV shall be considered a passenger car for the purpose of titling and registration. A NEV operated upon any highway or roadway is required to be maintained in proper condition and comply with the equipment requirements and standards as set forth in 49 CFR 571.500.

- Low speed vehicles that are not Neighborhood Electric Vehicles do not meet Pennsylvania equipment standards. This type of vehicle is not equipped as required by the vehicle code and the regulations of PennDOT to be operated on Pennsylvania roadways. Therefore, when processing title applications where the proof of ownership document indicates LSV (Low Speed Vehicle), the record should be designated as an Off-Road Vehicle (ORV). No registration plates are to be issued to low speed vehicles.

  NOTE: Low speed vehicles can be identified by examining the Manufacturer’s Certificate of Origin (MCO) or the out-of-state certificate of title. The MCO will list an indicator of LSV in the series or model field and may designate that the vehicle complies with Federal Motor Vehicle Safety Standard (FMVSS) 571.500. Out of state certificates of title usually list Low Speed Vehicle as a brand or will list LV or LSV in the body field.

- **MODEL YEAR** - List the model year of the vehicle as assigned by the manufacturer. This year should agree with what is printed on the proof of ownership document. If the vehicle is a new motor home, it may have two certificates of origin (one for the chassis and a second for the body). If so, list the model year for the body of the vehicle.

- **GROSS VEHICLE WEIGHT RATING** - List the GVWR of the vehicle as assigned by the manufacturer. This weight can usually be found on the vehicle’s VIN plate and on the certificate of origin for a new vehicle. (Not required for passenger vehicles, or two- or three-wheeled vehicles, but is required for all other vehicle types).

- **FUEL** - Check the appropriate fuel type.

  NOTE: For 100% electric vehicles, the fuel type electric is to be checked. For a hybrid electric vehicle, the fuel type should be checked as hybrid.

- **VIN TRACING/CERTIFICATION** - A VIN plate tracing is required to be attached to the reverse side of the white copy of Form MV-1 for the following vehicles:

  1. When a Pennsylvania resident acquires a new or used vehicle from a nonresident, including an out-of-state dealer, for use in this commonwealth. **NOTE:** If the MCO is assigned to a Pennsylvania registered dealer and reassigned to a PA resident, the VIN verification requirement is not needed;

  2. When a nonresident brings a vehicle previously titled or registered in another state or country into this commonwealth, in connection with establishing a Pennsylvania residence; and

  3. When the initial application for a Pennsylvania Certificate of Title is for a truck, truck-tractor or motor home, regardless of the source of ownership.

A tracing is obtained by placing tracing paper against the VIN plate and applying pressure with a lead pencil, stroking left to right across the entire surface of the VIN plate, so as to produce on the paper an image of all information which has been embossed on the plate. If the vehicle’s VIN plate is missing or it is impossible to secure a legible tracing of the plate, a certified inspection mechanic or a notary public in the employ of a dealership, manufacturer or full agent (83, 84, 85, 86, 87, 88, 90, 91 and 92 DIN numbers) is authorized to inspect and visually verify the VIN. If the authorized agent performs the VIN verification, they will list their name, DIN number and signature in Section A. If someone other than the authorized agent performs the VIN verification, Form MV-41 must be used. **NOTE:** A photograph of a vehicle’s VIN plate is acceptable, if the photo is signed and dated by a certified inspection mechanic. If the vehicle is physically located
outside Pennsylvania, the VIN must be visually verified by a police officer, a mechanic employed by a motor vehicle dealer or an armed forces installation provost marshal or motor officer using Form MV-41, Application for Correction of Vehicle Record or Verification of Vehicle Identification Number.

- If the vehicle’s VIN plate is defaced, altered or missing, Form MV-1 should be accompanied by an application for a Pennsylvania state replacement VIN plate on Form MV-41, in addition to a completed Form MV-32.

- TAXI/POLICE VEHICLE - If the vehicle being titled is to be used or was formerly used as a taxi or police vehicle, the appropriate block must be checked.

SECTION B - APPLICANT INFORMATION
The applicant is the first individual(s), corporation, business, etc., to whom vehicle ownership is assigned on the proof of ownership document, which must accompany the title application, Form MV-1. In the case of an out-of-state vehicle, the applicant is the first PA resident to whom ownership is assigned on the out-of-state certificate of title. Please take time to verify that assignments on ownership documents are complete and contain required signatures. **NOTE:** If the vehicle is being leased, check the appropriate block on Form MV-1, Section B, and attach completed Form MV-1L.

- OWNER - List the applicant’s actual full last name, first name and middle name or full business name. Please DO NOT use nicknames or first and middle initials. The applicant’s name is to be listed on the title application as it appears on the valid Pennsylvania identification credential you examined.

- DATE ACQUIRED/PURCHASED - List the date the APPLICANT received or purchased and was assigned ownership of the vehicle. This date should be listed numerically. **EXAMPLE:** mm/dd/yyyy.

- STREET - List applicant’s full street address and P.O. Box number, Rural Delivery Route number or apartment number, if such numbers apply. **(NOTE: P.O. Box numbers may be used in addition to the actual address, but cannot be used as the only address.)** The applicant’s address listed on the valid Pennsylvania identification credential must agree with the address information that is being recorded on the title application and vehicle record. The exceptions to this address requirement are U.S. Armed Forces personnel or their dependents; an employee of federal or state government or their immediate families whose workplace is located outside of Pennsylvania; or companies that have no Pennsylvania office and use the vehicle to regularly carry on business within the commonwealth or a Park Model Trailer permanently located in Pennsylvania. If the applicant is entitled to this exception, they must complete and attach Form MV-8, Self Certification for Proof of Residency. In addition, they must attach a letter from their employer on their employer’s letterhead to document their out-of-state employment status or attach a copy of their Photo ID issued by their employer. If they are an immediate family member of a person meeting one of the allowable exceptions, they must attach documentation for the person entitled to the exception.

• JOINT OWNERSHIP - When applying for a certificate of title with a co-purchaser other than a spouse, the information contained in the "NOTE" is important. If the block is not checked, the certificate of title will be issued as "TENANTS IN COMMON."
  - JOINT TENANTS WITH RIGHT OF SURVIVORSHIP refers to a vehicle titled to more than one person, where on the death of one owner, the vehicle goes to the surviving owner(s). This automatically applies for a spouse.
  - TENANTS IN COMMON refers to a vehicle titled to more than one person, where on the death of one owner of the vehicle, the deceased owner’s interest in the vehicle will go to his or her heirs or estate.

• LEASE VEHICLE - Check block and complete Form MV-1L, if the vehicle is being leased. If the vehicle is leased and registration is to be issued and Form MV-1L is not attached, the application will be rejected.

SECTION C - MILEAGE INFORMATION
List the mileage shown on the vehicle odometer. If the actual mileage differs from that shown on the vehicle odometer, or if actual mileage is in excess of its mechanical limits, check the appropriate block in Section C. Once the mileage reading is listed, this information may not be erased or otherwise altered. It is not necessary to attach a separate odometer disclosure statement; however, the mileage information contained on the attached proof of ownership must be completed.

The Federal Truth in Mileage Act requires the mileage to be disclosed at the time ownership of a vehicle is transferred. The agent will verify the odometer reading and record the reading on the proof of ownership document. Usually, the applicant is making application for a Pennsylvania Certificate of Title at the same time; therefore, the agent will record the same odometer reading on Form MV-1. However, in instances where the application for Pennsylvania Certificate of Title is made after the ownership transfer, such as out-of-state purchases where an intransit registration plate was issued, the odometer readings may be different. When an applicant requests an agent to complete Form MV-1 after the ownership document has already been transferred and additional mileage was placed on the vehicle, the agent will record the new odometer reading on Form MV-1. This will also assist the agent in determining if the applicant qualifies for an exemption from CARB certification on Form MV-9, Compliance or Exemption for the Pennsylvania Clean Vehicle Program. In this instance, the odometer reading that will be entered on PennDOT’s CARATs System will be the odometer reading found on the proof of ownership document and not the odometer reading found on Form MV-1.

APPLICATION FOR CERTIFICATE OF TITLE FOR MOBILE HOME OR MANUFACTURED HOME

When transferring ownership of a mobile home or manufactured home, additional documentation must be included.

If a mobile home or manufactured home that has been anchored to the ground to facilitate connection with electricity, water and sewerage and has been previously titled in PA and used as a residence in PA immediately preceding its sale or transfer, is offered for sale or transfer, the transferor shall obtain a tax status certification from the Tax Claim Bureau of the county in which the home is situated, showing the county, municipal and school district real estate taxes due on the home as shown by the Tax Bureau records as of the date of the certification. This includes any delinquent taxes turned over to a third party for collection. This tax certification shall be provided to the transferee and PennDOT in conjunction with the transfer of ownership.

NOTE: If a new mobile home or manufactured home is being titled using the Manufacturer’s Certificate of Origin (MCO) as the proof of ownership, neither the tax status certification nor Form MV-16T is required.

The tax status certification must include the following information:

- The parcel number assigned to the home.
- The amount of current or delinquent taxes owed from the parcel number.
- The date upon which a tax for the parcel number will accrue and the taxing period that the tax will cover.
- The address and telephone numbers of the tax collection authority and tax claim bureau or equivalent office.

If taxes are due for the home, the transferor shall pay the delinquent real estate taxes in full or cause the taxes to be paid in full and an updated tax status certification must be obtained and provided to the transferee and PennDOT before the transfer is completed.

If the mobile home or manufactured home is NOT anchored to the ground to facilitate connections with electricity, water and sewerage OR was not used as a residence in Pennsylvania or isn’t titled in Pennsylvania, Form MV-16T, Self-Certification of Exemption from Tax Status Certificate When Transferring Ownership of a Mobile Home or Manufactured Home, must be provided in lieu of the tax status certification. Form MV-16T is to be completed by the transferors of the mobile home or manufactured home and provided to the transferee to be submitted with the completed application for a Pennsylvania Certificate of Title.

FACT SHEET
Acceptable Proof of Identification Documents for Completing Motor Vehicle Forms

PURPOSE
This fact sheet provides the proper forms of personal identification documents required to be used by an issuing agent to verify the identity of a person when completing motor vehicle forms.

REQUIREMENTS
Issuing agents are required to attach a legible photocopy of the front and back of the accepted identification credential, along with any title and/or registration application submitted to PennDOT for processing. Agents may only accept one of the following credentials for identification purposes in order to issue title and registration documents:

1. A valid Pennsylvania Photo Driver's License;
2. A valid Pennsylvania Photo Identification Card;
3. A valid Pennsylvania Photo Exempt Driver's License;
4. A valid Pennsylvania Photo Exempt Identification Card; or
5. A valid U.S. Armed Forces Common Access Card
   - Dependents of Armed Forces personnel must provide a valid United States Uniformed Services Identification and Privilege Card (DD Form 1173).

Each of the documents above must be in the same name as the name and address listed on the motor vehicle applications. If the correct address does not appear on the Pennsylvania identification credentials, the applicant must provide the agent with the Driver's License Update Card. If the applicant does not have a Driver's License Update Card, they must obtain one prior to the agent completing the application for title and/or registration.

NOTE: The requirements for Pennsylvania identification do not apply to the seller or sellers of a vehicle. However, this does not exempt the seller or sellers from providing valid government issued photo identification for identification purposes when completing motor vehicle applications as the seller of a vehicle.

When completing motor vehicle applications, agents are required to examine and analyze the identification credential for purposes of validation. It is essential the authorized agent properly identifies the person whose signature is being notarized or verified in lieu of notarization. Please be aware that an authorized agent may be held legally responsible for notarizing or verifying a document without first establishing a person’s identity. In order to do this, the only documents that may be used to identify the individual making the application are a valid PA Photo Driver's License, a valid PA Photo Identification Card, a valid PA Photo Exempt Driver's License, a valid PA Photo Exempt Identification Card or a valid U.S. Armed Forces Common Access Card. Dependents of U.S. Armed Forces personnel must provide DD Form 1173. International Driver’s Licenses will not be accepted and cannot be used to identify an individual making application. Issuing agents completing motor vehicle applications for title and registration must maintain a front and back copy of the above stated proofs of identification for a period of three years from the date of application.

- A business located outside of Pennsylvania with no Pennsylvania location and the vehicle is regularly operated in carrying on business within this commonwealth.
- A Park Model Trailer that is permanently located in Pennsylvania.

If the applicant is entitled to one of the above exceptions, Form MV-8, Self Certification for Proof of Residency, must be completed and attached to the title and/or registration application or the change of address request along with a letter from the applicant’s employer, on employer letterhead, to document the applicant’s status, or the applicant may attach a copy of their current photo ID issued by their employer.

NOTE: Mobile home titling applications are exempt from the Pennsylvania address requirement. Form MV-8 is not required when titling a mobile home to an out-of-state address.

All applications where an out-of-state address is requested MUST be forwarded to PennDOT for processing along with the required documentation. No agent, including an on-line agent, may process any motor vehicle application containing an out-of-state address. These applications and supporting documents must be forwarded to PennDOT for processing.

Pennsylvania residents who lease a vehicle from a leasing company located outside of the commonwealth may still title and register the vehicle in Pennsylvania provided the lessee is in fact a Pennsylvania resident, and provides one of the identification documents required to title and/or register a vehicle in Pennsylvania. This means that when the application for title and registration is completed and submitted to PennDOT with Form MV-1L, "Application for Lessee Information," blocks 2, 6 or 7 must be checked indicating the lessee is responsible for all registration documents. In addition, if the lessee is requesting an out-of-state address he/she must qualify for one of the out-of-state address exemptions and must comply with submitting the necessary documents to obtain the out-of-state address. However, if blocks 0, 1 or 5 are checked indicating the leasing company is...
responsible for all registration documents and the leasing company is requesting an out-of-state address, they must qualify for one of the out-of-state address exemptions and must comply with submitting the necessary documents to obtain the out-of-state address. Please keep in mind any applications requesting an out-of-state address must still be submitted to PennDOT for processing.

**Post Office Box:**
Post Office Box addresses may only be used in conjunction with a bona fide numbered street address. Post Office Box address alone is not permitted. The Pennsylvania Vehicle Code requires actual or bona fide addresses on applications for title and registration.

**Care Of (C/O):**
C/O (care of) addresses are not permitted. The Pennsylvania Vehicle Code requires actual or bona fide addresses on applications for title and registration.

The only exception to this is when an insurance company is requesting a certificate of salvage. PennDOT allows insurance companies to request a certificate of salvage in their name with a C/O to a salvage auction with the salvage auction’s address.

**Examples of how an address would be recorded on MV records:**
- **1st line:** Street address - this line would contain the physical street address information.
- **2nd line:** Additional address information - This line would contain any addition address information, such as an apartment number or any P.O. Box information.
- **3rd line:** City, State and Zip Code.

If tax credit is claimed, evidence of tax paid must be attached.

- LESS TRADE-IN: List amount of trade-in, if applicable.

- TAXABLE AMOUNT: Determine the taxable amount by subtracting the trade-in amount received from the purchase price. If there was no trade-in, the purchase price is the taxable amount.

    - Multiply taxable amount by 8% (.08), for residents of the City of Philadelphia (additional 2% sales tax).

     1a. If claiming a tax exemption, indicate the proper exemption reason code from the reverse side of the white copy of Form MV-4ST [numeric codes 1 through 26 or 0 (explain in detail reason code)] in block 1A.

The applicant may be eligible to register their motor vehicle for either a one-year or two-year registration period. Required fees are provided on Form MV-70S, Bureau of Motor Vehicles Schedule of Fees.

(b) If requesting a street rod registration plate, a $55 fee is required when transferring and replacing a previously issued registration plate. **NOTE:** If a street rod registration plate is being requested on a newly purchased vehicle, the $55 fee must accompany the vehicle’s appropriate registration fee.

(c) For organizations covered under Section 1901(c) of the Pennsylvania Vehicle Code, include a $10 processing fee. **NOTE:** If an applicant is eligible for a processing fee in lieu of registration, they cannot obtain a two-year registration.

FEE EXEMPT CODE: If the applicant is a PennDOT-approved organization qualifying under Section 1901(c) of the Pennsylvania Vehicle Code, list the 5-digit exemption code number assigned by PennDOT.

(d) If requesting a farm truck certificate of exemption (Type A, Type B, Type C or Type D), use Form MV-77A, Application for Farm Vehicle 2 Year Certificate of Exemption, in conjunction with Form MV or Form MV-4ST. For a listing of the applicable certificate of exemption fees by type, refer to Form MV-70s, Bureau of Motor Vehicles Schedule of Fees found on our website at www.dmv.pa.gov.

5. COUNTY FEE: The applicant’s county of residence may implement an annual fee of $5 for each nonexempt vehicle registered to an address in that county. The $5 county fee is collected by PennDOT at the time a vehicle is registered and at the time registration is renewed. This means registrants applying for a two-year period of registration will pay a $10 Fee for Local Use; registrants applying for a 5-year period of registration for a trailer will pay a $25 Fee for Local Use. For a listing of participating counties that enacted a fee for local use, refer to the Fee for Local Use Participating Counties Fact Sheet, found on our website at www.dmv.pa.gov.

If additional registration cards are desired, there is a $2 fee for each additional registration card. (See #6 above.)
   b. **Weight Class Sticker**: There is no fee for a replacement weight class sticker. Along with the replacement of your weight class sticker, you will receive one registration card. If additional registration cards are desired, there is a fee for each additional registration card. (See #6 above.)

  - **TENANTS IN COMMON** refers to a vehicle titled to more than one person, where on the death of one owner of the vehicle, the deceased owner’s interest in the vehicle will go to his or her heirs or estate.

- **LEASE VEHICLE**: Check block and complete Form MV-1L if the vehicle is being leased. If the vehicle is leased and registration is to be issued and Form MV-1L is not attached, the application will be rejected.

**APPLICATIONS FOR CERTIFICATE OF TITLE FOR MOBILE HOME OR MANUFACTURED HOME**

When transferring ownership of a mobile home or manufactured home, additional documentation must be included.

If a mobile home or manufactured home that has been anchored to the ground to facilitate connection with electricity, water and sewerage and that has been previously titled in Pennsylvania and used as a residence in Pennsylvania
immediately preceding its sale or transfer, is offered for sale or transfer, the transferor shall obtain a tax status certification from the Tax Claim Bureau of the county in which the home is situated, showing the county, municipal and school district real estate taxes due on the home as shown by the Tax Bureau records as of the date of the certification. This includes any delinquent taxes turned over to a third party for collection. This tax certification shall be provided to the transferee and PennDOT in conjunction with the transfer of ownership.

**NOTE:** If a new mobile home or manufactured home is being titled using the Manufacturer's Certificate of Origin (MCO) as the proof of ownership, **neither** the tax status certification nor Form **MV-16T** is required.

The tax status certification must include the following information:

- The parcel number assigned to the home.
- The amount of current or delinquent taxes owed from the parcel number.
- The date upon which a tax for the parcel number will accrue and the taxing period that the tax will cover.
- The address and telephone numbers of the tax collection authority and tax claim bureau or equivalent office.

If taxes are due for the home, the transferor shall pay the delinquent real estate taxes in full or cause the taxes to be paid in full and an updated tax status certification must be obtained and provided to the transferee and PennDOT before the transfer is completed.

If the mobile home or manufactured home is NOT anchored to the ground to facilitate connections with electricity, water and sewerage OR was not used as a residence in Pennsylvania or isn’t titled in Pennsylvania, Form **MV-16T,** Self Certification of Exemption from Tax Status Certificate When Transferring Ownership of a Mobile Home or Manufactured Home, must be provided in lieu of the tax status certification. Form **MV-16T** is to be completed by the transferors of the mobile home or manufactured home and provided to the transferee to be submitted with the completed application for a Pennsylvania Certificate of Title.

**MAILING REQUIREMENTS**

Please use the unique post office box number printed in the upper right corner of Form MV-4ST when mailing the application to PennDOT. Completed applications and supporting documents must be submitted to PennDOT within 20 days from date of sale. **NOTE:** Dealers applying for a dealer certificate of title only should mail the application and supporting documents to Bureau of Motor Vehicles, P.O. Box 67470, Harrisburg, PA 17106-7470.

*Please Note: Authorized agents are under contract with PennDOT and may charge a market driven service (delivery) fee. These are in addition to any PennDOT statutory fees for temporary, or in some cases, permanent motor vehicle registration plates and cards or other related products and services offered by the agent. The agent’s service (delivery) fees are market driven, and vary by agent. To compare service (delivery) fees, you are encouraged to contact the authorized agents in your area for the applicable service (delivery) fees charged.*

GUIDELINES

• Pennsylvania law allows a credit for sales and use tax legally owed and paid to another state, provided the other state grants a substantially similar credit for sales tax paid to Pennsylvania.

• Pennsylvania will recognize a credit for local sales and use tax paid to another state, only if the tax is collected by that state and paid under a provision of state law. This chart does not include local sales tax rates.

• The amount of the credit is equal to the tax paid to another reciprocal state, except that the credit may not exceed 6 percent statewide, 8 percent in Philadelphia and 7 percent in Allegheny county.

• Taxpayers who claim credits must present evidence showing the amount of sales tax paid to other states with legal claim to the tax.

NOTES

Annex A
Title 67. TRANSPORTATION
PART I. DEPARTMENT OF TRANSPORTATION
SUBPART A. VEHICLE CODE PROVISION
ARTICLE III. REGISTRATION
CHAPTER 43. TEMPORARY REGISTRATION CARDS AND PLATES

§ 43.1. Purpose.
This chapter established rules and regulations governing the issuance of temporary registration plates and cards by authorized dealers, manufacturers, full agents and card agents under 75 Pa.C.S. §§ 1310 and 1331 (relating to temporary registration cards; and issuance and reissuance of registration plates).

§ 43.2. Definitions.
The following words and terms, when used in this chapter, have the following meanings, unless the context clearly indicates otherwise: Act—75 Pa.C.S. §§ 101—9821 (relating to the Vehicle Code).

Applicant—A person, as defined in the act, who applies for registration of a vehicle and for a temporary registration card or plate.

Bureau—The Bureau of Motor Vehicles of the Department.

Card agent—A notary public, commissioned by the Department of State, Bureau of Legislation, Commissions and Elections, who is approved by the Department to issue temporary registration cards in conjunction with applications for transfer of registration plates. A notary public from another state may also serve as a card agent and may issue a temporary registration card to a Commonwealth registrant who has purchased a vehicle in the state and who wishes to apply for transfer of a Commonwealth registration plate. The notary shall be commissioned or licensed as a notary by a governmental agency of the state.

Certificate of authorization—The document issued to an agent which indicates the agent has complied with the requirements of the Department and is permitted to issue temporary registration cards or plates, or both.

Dealer—A person engaged in the business of buying, selling or exchanging vehicles, including passenger cars, trucks, implements of husbandry, special mobile equipment and trailers, who is registered by the Department under § 53.3(b) (relating to issuance of plates). The term does not include a miscellaneous motor vehicle business, unless the business is also registered as a dealer under § 53.3(b).

Department—The Department of Transportation of the Commonwealth.

Established place of business—The place occupied either continuously or at regular periods by a dealer, manufacturer or full agent, where the books and records are kept, where a large share of the business is transacted and which meets local zoning rules, ordinances and building codes.
**Full agent**—A county treasurer or a person other than a manufacturer or dealer authorized by the Bureau to issue temporary registration cards and plates.

**Issuing agent**—A full agent or card agent, or a dealer or manufacturer, who has been authorized by the Bureau to issue temporary registration cards and plates.

**Manufacturer**—A person engaged in the business of constructing or assembling vehicles, motors or bodies of vehicles.

**Regular registration plate**—A metal registration plate issued by the Bureau for a specific vehicle in conjunction with a permanent registration card, or a metal registration plate issued by an authorized dealer, manufacturer or full agent as a temporary plate and validated for regular use by issuance of a regular registration card.

**Temporary registration card**—A form provided by the Department for issuance to an applicant for registration or transfer of registration for use by the applicant until receipt of the regular registration card. A form issued with a temporary registration plate for a vehicle which is to be driven or otherwise moved to another state or country for titling, registration, use or resale there.

**Temporary registration plate**—A registration plate to be used by the applicant until regular registration is received. There are two types of temporary registration plates: metal registration plates, for issuance only for vehicles which are being registered in this Commonwealth, and cardboard registration plates for issuance only for vehicles which are to be driven or otherwise moved to another state or country for titling, registration, use or resale there.

(i) Metal temporary plates are issued to an applicant for use during the period of time in which the application for regular registration is being submitted to and processed by the Department.

(ii) A cardboard registration plate may also be issued under special conditions, as authorized by the Department.

### § 43.3. Card agents.

(a) Card agent shall be a notary public. In order to be approved as a card agent by the Department, a person shall be commissioned as a notary public by the Department of State, Bureau of Legislation, Commissions and Elections, or by a similar agency in another state.

(b) Application for forms. When a card agent applies to the Department for an official form, he shall affix his notarial seal and signature to the application to the Department for forms to be issued by the card agent.

(c) Revocation of commission as a notary public. A card agent shall comply with rules and regulations under The Notary Public Law (57 P. S. §§ 147—169). In the event that the commission of a notary public is revoked, his status as a card agent will also be revoked until the commission as a notary public has been reinstated.

(d) Other requirements. A card agent is subject to other provisions of this chapter concerning the issuance of temporary registration cards.

### § 43.4. Authorization to issue temporary registration plates.

Business hours of operation shall be convenient to the public and be indicated on the sign required under subsection (b)(2).

(11) A statement that the business location meets local zoning ordinances and building codes.

(4) Unsatisfied judgments against the business, owner or officer.

(5) The credit rating of the business and its owners and officers.

(6) The assets and liabilities of the business.

(d) Denial of application. The Department may deny an application for a certificate of authorization on the basis of information revealed in an investigation, or if the applicant fails to disclose material information required or if the applicant has made a materially false statement on the application, or if the applicant’s business is operated, managed or otherwise controlled or affiliated with a person who is ineligible for authorization, including a relative, family member, corporate officer or shareholder.

(e) Opportunity for review. If the Department denies an application for a certificate of authorization, the Department will provide the applicant with an opportunity to show cause why the application should not be denied.

(f) Temporary certificate of authorization. After reviewing an application, the Department may issue a temporary certificate of authorization. The temporary certificate of authorization will be issued for 60 days, during which period the Bureau may investigate the operations of the dealer, manufacturer or full agent. When the temporary certificate of authorization expires, the Bureau may issue a regular certificate of authorization.

(g) Issuance of a certificate of authorization. The Department will issue a certificate of authorization to an approved applicant.

(h) Transfer of certificate of authorization. A certificate of authorization may not be transferred and shall be valid only for the owner in whose name it is issued.

(1) In the case of a change of ownership, the dealer, manufacturer or full agent shall notify the Bureau within 10 days. It is the responsibility of a new owner to comply with this section.

(2) The following are regarded as changes of ownership:

(ii) The owner sells the business.
(iii) The business is incorporated.
(iv) A controlling interest in a corporation is sold.
(v) The owner retires or dies.

Other provisions of this chapter concerning the place of business shall apply to a change in location of the office. The issuance or transfer of temporary registration plates may not be conducted at the new location until the location has been approved by the Department.

§ 43.5. Issuance of temporary registration cards.

(a) General rule. Cards will be issued in the following manner:

(1) Temporary registration cards will be issued only by the Bureau, by dealers, manufacturers, card agents and full agents authorized by the Bureau and by government agencies authorized by the Bureau. When required by law, dealers and manufacturers shall be licensed by the State Board of Vehicle Manufacturers, Dealers and Salespersons as a prerequisite to authorization by the Bureau.

(2) Temporary registration cards will be issued only in conjunction with issuance of a temporary registration plate by the Bureau, an authorized dealer, manufacturer, full agent or authorized government agency, or in conjunction with the transfer of a registration plate.

(b) Obtaining temporary registration cards. Issuing agents may obtain temporary registration cards at offices of the Bureau or upon written request to the Bureau.

(c) Issuance of temporary registration cards in connection with transfer of registration. Every issuing agent shall, upon request, issue a temporary registration card to the owner or lessee of a vehicle who has made proper application for transfer of registration on an application for certificate of title or other appropriate Departmental form. The agent information on the Departmental forms shall be completed in full by the agent.

(d) Duty to examine documents. The duty to examine documents includes the following:

(1) Before issuing a temporary registration card, the issuing agent shall examine the documents necessary to the transaction.

(2) A temporary registration card may not be issued unless the following items are found to be in order:

(i) Insurance information.

(A) Except as provided in clause (B), determination shall be made that the vehicle is insured by examining one of the following documents covering the subject vehicle, the vehicle traded for the subject vehicle or another vehicle owned by the applicant:

(II) The declaration page of an insurance policy.
(III) A valid binder of insurance issued by an insurance company licensed to sell motor vehicle liability insurance in this Commonwealth.

(IV) A copy of an application to the Pennsylvania Automobile Insurance Plan.

(V) A certificate of self-insurance issued by the Department.

(B) The requirement to check one of the documents listed in clause (A) does not require the agent to verify the information submitted unless the agent has reason to believe the documents are fraudulent.

(C) If the vehicle was acquired in this Commonwealth for transportation under its own power to another state for registration there, the issuing agent shall examine the driver’s license or other appropriate identification of the applicant to ascertain that:

   (I) The applicant is an out-of-State resident.

   (II) The vehicle was purchased within the previous 60 days.

   (III) The applicant possesses one of the proof of insurance items identified in clause (A) issued by a company authorized to transact business in this Commonwealth or in the state to which the vehicle is being transported for title and registration therein.

   (ii) Application. The application shall be properly and completely executed and notarized, as required, accompanied by the correct fees, taxes and other required forms or documents.

(e) Preparation of application. The issuing agent shall complete in ink, or by typewriter, or by data processing equipment the application for temporary registration. The issuing agent identification number shall be on all documents, including checks submitted by the issuing agent, submitted to the Bureau for processing.

(f) Copies of temporary registration card. Copies of the temporary registration card shall be handled as follows:

   (1) The original copy of the temporary registration card, including the copy completed for the cardboard temporary, the regular registration card, and documents and fees necessary to the transaction shall be forwarded by the issuing agent to the Bureau within 20 days of issuance of the temporary registration card. These materials shall be forwarded either by an authorized messenger service, by mail or by delivery to an area designated by the Bureau.

   (2) The applicant’s copy of the temporary registration card shall be given to the applicant, for possession by the driver of the vehicle whenever the vehicle is being driven on the highway.

   (3) The agent’s copy of the temporary registration card, copies of related documents including bills of sale when the agent is also the dealer and a copy of the document used for identification and copies of the documents used for insurance verification shall be retained at the place of business of the issuing agent for at least 3 years and shall
be made available for inspection only by police and authorized representatives of the Department. Cards issued in conjunction with the transfer of registration plates shall be kept separate from cards issued in conjunction with temporary registration plates. Cards shall be kept in chronological order according to the date of issuance.

(g) Fee not to be charged. An issuing agent may not charge a fee for issuing a temporary registration card in connection with transfer of registration except fees for notarization and messenger service, if requested by the applicant.

(h) Expiration or voidance of temporary registration cards. Temporary registration cards shall expire and become void upon the occurrence of one of the following:

1. The receipt of the regular registration card from the Bureau.
2. The rescission of a contract to purchase a vehicle.
3. The expiration of 60 days from the date of issuance, or, in the case of a vehicle which was acquired in this Commonwealth for transportation to another state for registration or other use there, the expiration of 30 days from the date of issuance.
4. The temporary registration plate is lost, stolen or defaced.

(i) Confidentiality. The agent’s copy of the temporary registration card and documents related to the application for title or registration shall be kept in strict confidentiality by the issuing agent, unless otherwise required by law or legal purpose.

(j) Receipts. An agent shall complete an itemized receipt, in duplicate, which lists the total fees payable to the Commonwealth on one line, and each fee charged for the agent’s services on a separate line.

A copy shall be given to the customer and the other copy shall be retained by the agent for 3 years and shall be made available for inspection.

§ 43.6. Issuance of temporary registration plates.

(a) Limits on issuance. Temporary registration plates will be issued in the following manner:

1. Temporary registration plates other than those specified in paragraph (4) will be issued only by the Bureau, approved governmental agencies, dealers, manufacturers and full agents authorized by the Bureau.

2. Temporary registration plates shall be issued only in conjunction with an application for title and registration of a vehicle within this Commonwealth or for the purpose of driving or otherwise moving a vehicle purchased in this Commonwealth to another state or country for titling, registration, use or resale there.

3. Notwithstanding paragraphs (1) and (2), a full agent who is also an authorized messenger service under Chapter 255 (relating to messenger services), may issue a temporary registration plate in one of the following circumstances after receiving authorization from the Department indicating the vehicle record is clear of a suspension or other impediment to issuance of the registration plate:

   i. For a vehicle for which the applicant already has a Pennsylvania Certificate of Title.
(ii) To a person who is applying for replacement of a lost, stolen or defaced registration plate.

(iii) For a vehicle for which the applicant has an Out-of-State title and registration, but is also required to be registered, but not titled, in this Commonwealth.

(4) Temporary registration plates for reconstructed and specially constructed vehicles will be issued only by the Bureau.

(b) Issuance at other locations. The Department may provide written authorization for individual dealers, manufacturers or full agents to issue temporary registration plates at a location other than the places of business of the dealer, manufacturer or full agent for a period not to exceed 1 year. The privilege to issue temporary registration plates from a location other than the designated dealer, manufacturer or full agent’s place of business is revocable if the Department finds that the dealer, manufacturer or full agent has violated this chapter or the terms of the written authorization.

(c) Obtaining temporary registration plates. Temporary registration plates shall be obtained by submitting the appropriate form and paying the applicable fee to the Bureau.

(d) Issuance of temporary registration card in conjunction with issuance of temporary registration plates. Upon the issuance of a temporary registration plate, the authorized dealer, full agent or manufacturer shall issue a temporary registration card, in the manner prescribed on forms provided by the Department and in § 43.5 (relating to issuance of temporary registration cards).

(1) The number of the temporary registration plate shall be indicated on the temporary registration card.

(2) If the vehicle is not to be titled in this Commonwealth, it shall be noted on the temporary registration card.

(e) Issuance of temporary registration plates. Temporary registration plates shall be issued in consecutive order, beginning with the lowest number in each series.

(f) Issuance of cardboard temporary registration plates. Upon issuance of a cardboard temporary registration plate, the authorized dealer, manufacturer or full agent shall punch out the month, day and year of expiration at the space provided and shall record the following information clearly and indelibly on the face of the temporary plate:

(1) The date of issuance.

(2) The year, make and model of vehicle.

(3) The vehicle identification number.

(4) The identification number of the authorized dealer, manufacturer or full agent.

(g) Fee charged. The fee charged for providing an applicant with a temporary plate may not exceed:

(1) Ten dollars if the plate was obtained from the Department for a fee of $5.

(2) Five dollars if the plate was obtained from the Department for a fee of $1.

§ 43.7. Inventory of temporary registration cards and plates.

(a) Inventory report. Every dealer, manufacturer and full agent is responsible for providing the Bureau with a report on the temporary registration plates which it has in inventory, within 30
days of the Bureau’s request for the information.

(b) Security. Temporary registration cards and plates shall be kept in a secure place, which shall meet the approval of the Bureau. Issuing agents shall be responsible for security of temporary registration cards and plates obtained by them until they are issued to applicants.

(c) Report on lost or stolen plates. If plates are lost or stolen, the dealer, manufacturer or full agent shall notify the Department of the loss or theft within 48 hours of the occurrence. This notice shall be in the form of a notarized statement and shall give complete details of the loss or theft of the plates. In the event of theft, a police report shall be submitted to the Department within 10 days of the theft.
